These lists following were derived from the I G I. I have placed them in date order, county order and finally in families where I can feel certain that they are a fair assumption.

Contrary to a popularly held belief that people did not move far in times past, I am sure that they did travel (otherwise how did the colonies get populated !!) as often as was necessary, even if perhaps because they were in the employ of the government of the day, like as a soldier or sailor. Later even policemen were sent to different areas from which they were born. Two Stockden born in Iron Acton, Gloucestershire were policemen in Bath, Somerset. Several other Stockden left the Gloucestershire area to work in Wales from about 1835. Ordinary people moved for various reasons usually economic, hence the Poor Law Act which was enacted to help such situations. Later the Union Workhouse system was installed. But that is another story.

The OTHER STOCKDEN's Dates of Baptisms by Calendar Year.

All are 'Stockden' except variant spelling as indicated

Codes: Col G = M: male, F: female, H: husband, W: wife A: adult christening,
B: birth, C: christening, D: death / burial, F: birth or christening of child
M: marriage, N: census W: will, others: miscellaneous

Warning: The 'Stockdon' of Mathon, Worcestershire are all 'Stockton' but have been left in for any future reader to be aware of this old records error. I have been to Mathon and seen the 'Stockton Farm' at which they lived, and I also corresponded with a local historian there.
