

THE  
OTHER STOCKDENS  
in the  
**UNITED STATES of AMERICA**  
and  
**CANADA**

**In AMERICA**

Origins. The Virginia census records were burned at Washington by British troops during the 1812-1814 war. So listing what I have on a state and year by year basis: (try saying 'Stockden' with an American accent and you can see why so many 'Stockdon' are there today!!).

Virginia 1790.

George Stockdon : Frederick County. Listed as in the area of Clonel Holmes, George had 10 white people and 10 black people living at his address.

Virginia 1810.

Aron Stockton (sic), (listed in 1820 as Stockdon but as Stockton 1830 and 1840).

(1) 'stuff' was difficult to decipher, a quite unexpected word!!

(2) I have typed modern English above. In the Will the words 'Wife' is spelled 'wyffe', 'else' is 'els' 'ten' is 'tenne', 'stuff' is 'stufte' and letter 'i' in modern spelling is frequently a 'y' in olde English.

1. 'The Virginia Magazine of History of Biography' Vol 3, year ending June 1896. Printed in Richmond, Va., and Published by House of Society.

In the 'William & Mary Quarterly', 'The Virginia Magazine of History and Biography' and the 'Swem Collection' a number of Stockden and Stockdon names were found listed:

e.g.:

Edward, John and the Reverend Jonas,

Not too useful as no ages or place names were given

Virginia 1790 George Stockdon, Frederick County. George had 10 white people and 10 black people living with him.

Virginia 1810 Aron Stockton, listed in 1820 as Aron Stockdon, but again as Stockton in 1830 and 1840.

Virginia 1850	James Stockden, Augusta County	page 406 of the record.

	Mary E Stockdon, Franklin County	page 181
	Peter C Stockdon, Franklin County	page 182

Virginia 1860 No Stockdon or Stockden, but a George and Charles Stockton. Wrongly received sounds? It would not be the first time, looking at the 1850 census.

Virginia 1870 Henry W Stockdon. Aged 21 years, male, white, born in St Ann's parish, Albemarle County, Virginia. Page 573

New York 1790 Charles Stockden living in Ulster County, Middletown. 1 free white male over 16 years , 1 free white male under 16 years, 5 free white females, 1 slave. Page 175

From the Internet:

- i. the previously mentioned Mr Stockden in Ralph Josselin's diary
- ii. Robert Stockden lived in Henry County, West Virginia USA c July 1784
- iii. A Stockden found in 'Heroes HTM' (Full identity unknown)
- iv. James Stockden in 1814 was chasing Indians in Madison County Illinois, USA during the war between Britain and America
- v. Melanie Stockden who, in 1978, saw some really peculiar lights on a probable UFO. I received no known reply to my e-mails.

Also included in the Internet references were many Stockden names of which are already mentioned in 'The Stockden Family History 1741 - 1997' so I shall not repeat them here. One name I did not recognise and I made contact with him. It turns out that somewhere along the Internet line someone had reversed the usual practise of making a 'Stockton' out of a 'Stockden'! This was a genuine 'Stockton' now being misnamed as a 'Stockden'! We both found it quite amusing.

Finally - up to modern times in the United States of America:

In the 1994 Social Security Index:

Name:	born:	died:	Last known place:
Elizabeth Stockdon	28 Nov 1893	00 May 1985	Richmond Va. 23222

Lula Stockdon 15 Dec 1895 00 Sep 1974 Va. 24401  
 Thelma Stockdon 13 Aug 1900 00 May 1982 Richmond Va. 23222  
 Wallace Stockdon 17 Oct 1899 00 May 1968 Richmond Va. 23222

As of mid 1995 the following 'Stockdon' were alive and well, all living in Virginia.

Name:	Place name:
C W Stockdon	Richmond
Charles Stockdon	Richmond
E A Stockdon	Richmond
Kathleen Stockdon	Glen Allen
Patricia Stockdon	Richmond
Peter Stockdon	Glen Allen
Wallace Stockdon	Tappahannock.

These names may of course comprise husband and wife or even family combinations.

Footnote (1). Read 'Virginia 1587 - 1607' by Adam Smith from your library.

This information appears to be a direct copy from the original Quaker records. These records had references which we do not understand, but are given here in the event any reader should research the originals. Dates of 'year, number, number' given are presumed to be the American style 'year, month, and day'.

In the Virginia volume of the encyclopaedia Stockdon are given on page 272 and Stockton on page 273. With the problems of English accents in the English counties I think there may well have been similar problems in America. Therefore some Stockdon may well have been Stockden, spelling of names were not clearly defined until perhaps the mid-1800's when more people were able to read and write.

Stockdon:

1747/48,	1,	12.	Thomas & his farm recrg (received by request).
1748,	3,	14.	Thomas co of Caroline PM (preparative meeting).
1754,	1,	12.	Prudence, "supposed dt Thomas of Caroline County, dis mou. (Second quotation mark missing, disowned because he was married out of unity).
1755,	11,	8.	Thomas uc of MM for non-attendance. (under care and Monthly Meetings)
1756,	9,	10.	Thomas ordered to appear in person at next MM.
1758,	6,	10.	Thomas con misconduct & ace. (condemned and accepted)
1761,	3.	14.	Newberry, son of Thomas, dis., misconduct, mentioned he is rem from the bounds of this MM. (removed)
1771,	12,	14.	Daniel get South River, MM, VA., to marry. (probably should read ' to go to South River').

The page ended with 'VA' and the next page began with 'M', presumably 'Maryland' following 'Virginia'. The continuation only referred to 'Stockton' with two items for 1772.

From a late 19th century publication (1).

1635 Edward Stockdon was on a list of 21 servants of William Gany, dated 17 Sep 1635 with his passage paid.

1907 14 June. Stockden listed as a place name.

"William Bedell of STOCKDEN was the father of Alice Bedell, his only child and heir, who married Gabriel Throckmorton of Ellington, Hunts (Huntingtonshire ?). Their daughter was Judith Throckmorton, born 11 July 1608 or 21 December. She married Lewis Phillips".

This reference to 'Stockden' as a place is probably Stockton-on-Tees in Northumberland. Until the mid-1600's it was known as 'Stockden '. I found this information in the 'Rolls' of the time of Henry VIII and Charles I, which are available at the Gloucester Records Office.

No date: John Stockdon was on a long list of dissenters from Albemarle and Amherst.

Sometimes the records have purposes for others, not for us genealogists. Following the Founding Fathers to America, an early Stockden to go abroad was in 1638 when Tymothy Stockden went to Virginia (2) closely followed in 1651 by a William Stockden to Maryland (3). The two books listed in the footnote were borrowed from the British Library. Detail of their origin is not given and I cannot therefore suggest from which family or county that they came from. They would have been employed perhaps, to work on an estate, or were able to emigrate to make their fortune. (see also page 9 for early travellers).

I have not been able to trace any known 'Stockden' living in America, but a line of 'Stockdon' has survived. I have communicated with two of them, a father and son as it happens, but whilst they were happy to receive all I had on Stockdon, they have yet to reciprocate. But, I have friends over there, one Shirley Maynard in Virginia and a Scottish lady, Georgena Turner, in Las Vegas, Nevada. From them I have received the following information. These details appear in the US records taken from census and the Encyclopaedia of Quaker Genealogy compiled by William Wade Grimshaw (4):

From the I G I Records for America I found only the following:

Stocdon	B	1856	N Jer	Fa	Earl Stocdon
Mary Stockdon	M	1693	N Jer	Sp	Thomas Shinn
Mary Stockdon	B	1813	Penn	Fa	Robert Stockdon
Sarah Stockdon	B	1652	Mary	Fa	William Stockan

Along the way the name spelling changes. We know that a William STOCKDEN went to Maryland in 1651 so Sarah is without doubt his daughter. From the Internet I was able to obtain quite a list which follows on the next pages:.

~~~~~

It can be seen from the above that in the census it was given how many people were on a known property. There is reference to the African American people in the 1870 census and Mary Stockden had obviously been a slave before 1865 and had taken the surname of the plantation/farm owner.
